submitted by Polly Ferrell

January 29, 1861 was a pivotal moment for the United Lincoln signed the Morrill Act— States of America, because on that day, Kansas joined the Union as a Free State, tipping the scales toward freedom for all. What was happening in our "united" states in and around 1861? The Civil War about out united-ness began that year and made us rethink the solidarity of our United States of America.

Updates

General Update: Meadowlark Home Health is doing a tremendous job, both locally and in the Topeka market through a collaboration with Brewster Place. There has been a significant increase in admissions. Companion services through Meadowlark Home Health are doing well also, as we are three hours away from a hundred hour day. We are growing in staff numbers within Home Health. In the past year and a half we went from 15 companions to now staffing 62. We continue to look for a nurse to represent Meadowlark in Topeka at Brewster. We have had several candidates apply, but have yet to the right fit to be the face of Meadowlark as they will be highly visible in the Topeka community.

The new traffic signs are up and it appears the majority are happy with the additions. Time will tell if any changes to the locations will be needed in the future.

Approximately on or around Dec. 10, we will start construction on the new parking lot behind the maintenance shop weather permitting. The Kitchen Renovation focus group will be on Dec. 12. It is highly encouraged for residents to attend to give feedback and to better understand the process of what changes and additions look to be made.

In the recent long-term care survey, we received a tag concerning paperwork. Revision will be made to the form in question, leaving Meadowlark with a very favorable survey.

Support Services Update: Jayme announced that Verna Belle's Café introduced new menus. Comment cards for Verna Belle's will be made available soon. Staff in Verna Belle's will be getting new uniforms, which includes shirts and aprons. **Approval of November Minutes:** Motion to approve minutes was moved and passed.

New Business

Bob Crawford reported on the Board of Trustees Meeting. The meeting was held on Nov. 8, 2018. The first order of business was an Executive Report from CEO, Lonnie Baker. Some of the highlights included Meadowlark's new Home Health program at Brewster in Topeka and the continued expansion here locally. The Board reviewed and approved a number of motions presented by the Finance Committee relating to such matters as professional services and to annual increases in various fees, including those paid by residents. Lisa Sisley, Board of Directors (Meadowlark Foundation) Chair, delivered an update showing that the Foundation's performance continues to exceed expectations.

Old Business: None.

Additional Discussion Topics

The request of Meadowlark to provide a day to shred documents free of charge was brought up. It was explained we have several secured shred boxes available and for residents to just take the documents to the Hospitality Desk during the regular operating hours.

There was a request to add mac & cheese as a side to the Prairie Star Restaurant menu. Jayme Minton explained the menu will be updated in the near future and will add that as a suggestion during the process.

Bob Crawford thanked the Maintenance Team for all their timely and consistent work during our recent blizzard-like weather.

Charlotte Kelly was thanked and recognized for leading the Gift Committee and doing a wonderful job.

Leo Lake informed members the trees along the walking path have been marked and encouraged all to get out and enjoy the paths when weather is favorable. Also Leon's Glen, located east of the pond has officially been named a Monarch Feeding Station. There is a marker at the location to tell you about what this means for the monarchs in their migration.
