*More than \$27,700 raised for Meadowlark fund!*

Meadowlark residents Mary Lou Gibbs and Polly Ferrell complete donation forms at Match Day headquarters.

### **submitted by Becky Fitzgerald**

During a 24-hour period last month, 55 local non-profit endowment funds received more than \$528,000 from nearly 1000 donors. Local business leader and former Meadowlark Hills board member Phil Howe provided more than \$240,000 in matching dollars, bringing the total raised during the 6<sup>th</sup> annual Grow Green Match Day to more than \$768,000!

The event, held on April 20, was sponsored by Greater Manhattan Community Foundation. The 59 contributions made to a Meadowlark Foundation endowed fund with GMCF were among 2732 gifts on Match Day. The number of Meadowlark supporters and our donation total -- \$19,140 -- were significantly higher than in 2017.

Adding a 50% match to all eligible donations, the total amount benefitting Meadowlark Foundation is **\$27,705!**

The donation total of \$19,140 must go into our endowed fund, but we have flexibility with our matching funds, which equal \$8,565. The Foundation's Board of Directors are expected to determine how to use the matching funds at their May meeting. Last year, they voted to put our match money into an invested account benefiting the Good Samaritan Fund.

On Match Day, participating organizations could track their progress on the Grow Green website. With all of the donations counted, Meadowlark Foundation placed 10<sup>th</sup>

### **Updates**

General Update: Lonnie shared recently with Coffee Corner, we switched things up a little by adding a featured dessert. At this point we are unsure if it has played a role with increasing attendance, but it will continue for another month or so and be revisited. We are also looking at possibly changing locations for Coffee Corner to the Game Room and Pub area and possibly adding music.

The State of Kansas is currently working on the budget and it is strongly encouraged to contact your representatives during these times. At this point numbers are holding with the hope of an increase with Medicaid reimbursement.

Attracting and retaining staff to Meadowlark continues to be a struggle in certain areas. We are exploring ways to attractive potential staff with the idea of daycare being provided here at Meadowlark. The first step towards the moving forward was sending out a survey to current staff members. There was almost an immediate response with over 70 individuals expressing there is concern with day care availability and over 50-percent of the respondents specifically stating a need for day care. Moving forward, we will continue to work with the Riley County Health Department the licensing office, to approach this idea as smoothly as possible.

Support Services Update: Jayme shared that Sales Leader, Abby Cavender currently has eight letter of intents for future residents of Meadowlark. Guest suite 2015 #4 has been sold, so we will now be moving the guest suite to 2263 Meadowlark Road near the Tuttle Creek entrance.

We are currently advertising for Prairie Star Service Managers positions. These individuals will be in the restaurant from 4 to 8 p.m., during the week and a little bit earlier on the weekends. They will be in charge those hours in order to keep things running smoothly in the absence of Brooke or Jayme during the evening.

## **Town Meeting Notes, May 7**

*Notes from Town Meeting conducted by Monte Spiller, Resident Services Leader, on May 7.*

**Welcome** Monte welcomed the meeting attendees. IL resident...

**Campus Update** Lonnie reminded meeting attendees of the appropriate usage for the Meadowlark pull-cord system. The system is not designed for EMS-level emergencies or for solving an inconvenience (i.e. reaching something on the top shelf). The system is designed for urgent medical/safety needs. Keep in mind, if you do fall, a lift will likely be used to assist you off the floor.

Residents should not help their neighbors up off the floor. In addition to the pull-cord system, residents have the option to utilize a pendant-alert service through Meadowlark Home Health. The Home Health office can be reached at (785) 537-9497.

There are several projects planned for the next fiscal year budgets and the three biggest include a renovation of the main kitchen, the addition of a new parking lot and cleaning up the center courtyard.

**Support Services** Jayme introduced Home Health team leaders, Angela Gerena and Alex Horak.

Becky and Jayme will be hosting a Royal Wedding Party Saturday, May 19. Please sign up in the Blue Book if you would like to attend.

**Grow Green Match update** Becky reported that the 2018 Grow Green Match Day was the best ever for Meadowlark. The event raised over \$27,000 for the Good Samaritan Fund.
