## Honor a Legacy 2021

#### by Becky Fitzgerald, Development Dir.

The annual Honor-a-Legacy initiative, launched in early June, has generated slightly more than \$11,000 in donations in memory or honor of loved ones. This vear's campaign ambassador, Pat Vogt, and Becky Fitzgerald, Development Director, appreciate the generosity of those who have contributed thus far. Your <u>tax-deductible</u> gifts have pushed the current total well past the halfway mark toward our goal of \$15,000. Thank you!

Contribute during July, and the name of your honoree will be published in the Aug. 5 edition of Meadowlark Messenger. The Honor-a-Legacy campaign benefits our Good Samaritan Fund, which assists Meadowlark residents living in a healthcare household who have outlived their financial resources. Pat and Becky appreciate your consideration of this opportunity.

## On The Merry-Go-Round

#### by Helen Roser

The Hispanic children I met probably are great-grandparents now. Maybe they tell their little ones about their first ride on a merry-go-round, when they helped an American lady who was lonesome.

The big merry-go-round on the Santa Monica pier was open all year. Few were there that cloudy day. A Hispanic couple stood with their young school-age children, looking at the device they couldn't afford to buy tickets for their kids

said quietly: "Senóra, would you mind if I bought tickets for your children to ride with me? I am alone." Then I added: "I am lonesome."

Emotions showed in her caring face. Delight for her children, concern for me. Excitedly she and her husband explained to the children they were being given a free ride, adding: "She is lonesome."

There was a mixture of delight, appreciation and concern. One little looked proud. The American Lady hand gently grasped mine.

I handed a bill to the operator as Not wanting to embarrass them, I he helped kids aboard, whispering:

# LEADER OF

Congrats to Meadowlark's Leader of the Pack for July 2021, Saif Alankarli, Hospitality Team

member. Saif is an outstanding employee who goes out of his way to help residents, families, and staff. He takes pride in his job duties and has a positive and infectious personality. We are so lucky to have Saif as a part of the Meadowlark family!

"Give us an extra long ride."

I shouted: "I am going to ride a horse that goes up and down!" The others decided to do the same as the smiling operator helped them onto their horse that would go up and down.

The music began as our horses all lurched into action. We went around and around and up and down. It was such fun.

Their tearful mother thanked me as I thanked her. The happy kids was not lonesome anymore.

#### Speedy Pd Art Making

Thursdays at 11 a.m.

Each year, people who are affected by Parkinson's disease, whether diagnosed or a care partner, gather together to create different styles of art that is then used for the age group award winners of the Speedy Pd Race for Parkinson's on Aug. 28.

The Beach Museum of Art donates time and materials to us for this activity. No previous art experience is needed! Come enjoy fellowship and fun with us each Thursday from 11 a.m. to 12:30 p.m. in the KSU Classroom (except July 1st we will meet in the Patriot Room). You may come and go between this time frame as you please.

#### **Series Sunday**

Sunday, July 18, at 2 and 6 p.m.

Grosh Cinema is hosting *Series Sunday*. Each Sunday through Aug. 22 the Cinema will show a new episode of the Netflix Series, *Dolly Parton's Heartstrings*.

This series features eight stories celebrating family, faith, love, and forgiveness inspired by Dolly Parton's iconic country music catalog. The second episode, *If I Had Wings*, will play in the Cinema Sunday, July 18, at 2 and 6 p.m. The pain of the past and the promise of the future collide in this emotional tale of a family divided by difference—and reunited by chance.

#### **Saturday Shopping Trip**

Saturday, July 17, at 10:30 a.m.

## Art Engagement from the Beach Museum of Art

**Compare and Contrast** ... In the Midwest, we think of houses built on concrete slabs or basement foundations (if you are worried about tornadoes!). However, houses in other places may be built in other ways. As you spend time looking at the prints, what do you notice is the same or different about the two abodes and their locations?
