A local not-for-profit focused on supporting people in living their best lives

# Let's Hit the Road!

#### by Becky Fitzgerald, Development Director

Celebrate the Christmas season with Meadowlark Travelers! A six-day getaway is planned for Monday, Dec. 4, through Saturday, Dec. 9; Meadowlark residents, Passport members, and friends or family members are invited. Several adventure-loving residents have already registered -- your support of this opportunity is appreciated!

Our deluxe motorcoach will roll east into Missouri and then continue into Illinois, Indiana, Ohio, and Kentucky, stopping at a variety of attractions, most with Christmas-themed events or displays that we're sure to enjoy. Meadowlark Travelers trips are designed to accommodate retirees of various ages and physical abilities. We strive for a leisurely pace, but opportunities can be found for those who are more

physically active. Assistive devices are welcome.

Fees include: transportation by Arrow Stage Lines, five nights lodging, luggage service, five breakfasts, three dinners, two lunches, two Happy Hours with food and beverages, and eight attractions. The current rate for double occupancy is \$1885.00 per person; a single traveler pays \$2410.00. Rates for triple and quad occupancy also are available. These published rates apply with a minimum of 25 paying travelers; rates will decrease if more than 25 paying travelers participate. A deposit of \$150 is due with your registration form, which is available at the Hospitality Desk or by contacting Monte Spiller. The deadline to register is Oct. 3.

Questions? Call Monte at (785) 323-3801, or Becky Fitzgerald at (785) 323-3843.

### EVENTS & OPPORTUNITIES

#### **Employee Gift Committee**

submitted by Leo Lake, Gift Fund Committee Chair Meadowlark employees make our lives better. Since tipping is not an accepted practice at Meadowlark, we have the opportunity to thank them by giving to the Employee Gift Fund.

What is the value of the help received? This is a determination each of us must make.

By joining together to build a monetary fund for the employees to receive a gift, we have a method of saying thank you from the all the residents and friends of Meadowlark.

Gifts may be left at the Hospitality desk or mailed to the Employee Gift Fund, 2121 Meadowlark Road, Manhattan, Kan., 66502.

The Employee Gift Committee wants to recognize the loss of the late Carolyn Pulford, who was co-chair of this committee for the past two years. As Carolyn would be the first to point out, there are many wonderful things about Meadowlark. Carolyn never missed the opportunity to remind us of the positive part of life. Carolyn had that wonderful gift of helping us see the beauty in life. She was special to our committee and to all who knew her.

## Art Engagement from the Beach Museum of Art

An artist uses line to outline objects and convey multiple ideas. Horizontal lines can separate layers in a landscape, suggest expansiveness, and stability. Vertical lines communicate height and a sense of strength. Diagonal lines express movement and perspective. Curved lines give a sense of energy. The lines may be hard or soft, thick, or thin. As you view this composition, do you sense expansiveness, stability, strength, movement, energy, or something else? How does the artist's use of line influence your reaction to this print?
